— WELCOME TO VELOCITY X

Bridging your goals and secure wealth creation

Velocity X is a multi-diversified platform specializing in high-yielding, low-risk investment solutions. Through advanced algorithmic trading, robust Forex market operations, and solid traditional business ventures, we ensure a stable and safe ecosystem for your capital to grow.

Safe Trading Practices

Cutting-edge technology and disciplined risk-management strategies deliver consistent, secure profits from the financial markets.

Forex Market Excellence

Operating in the world's largest financial market, our expert traders navigate Forex movements while safeguarding your principal.

Traditional Business Stability

Investment in brick-and-mortar ventures provides a grounded, tangible foundation that balances market volatility.

PLATFORM WORKFLOW

How your capital moves through the platform

Every account follows the same auditable path — from verification to payout — so you always know where your capital sits and why.

01

Onboarding

Register & verify (KYC)

Create an account under a sponsor's referral code and complete identity verification. Deposits and withdrawals unlock once KYC is approved.

REFERRAL PROGRAM

Build a team, earn on every level

Share your referral code and earn a direct referral bonus plus spot-level income across five levels of your growing team.

Direct Referral · Your own referrals	5%
Spot Level 1	50%
Spot Level 2	40%
Spot Level 3	30%
Spot Level 4	20%
Spot Level 5	10%

Daily ROI: 0.5%–1% credited daily, with level income calculated on referral ROI earned within a 60-day window.

Capital cap: total payouts on a package are capped at 15% of capital, as configured by the admin team.

Monthly incentive: 2% every month for accounts meeting the minimum $1,000 business criteria.

Every payout — ROI, referral, level, or incentive — is logged against the source transaction and visible in your dashboard in real time.
